PRELIMINARY AMENDMENT

Dear Sir:

Please amend the above captioned application as follows:

In the Claims:

Please amend claim 22 as follows:

22. (Amended) An apparatus according to claim 21, wherein the automated print function formats the download request based, at least in part, on the identified location of the request documents.

[An apparatus according to claim 18, wherein the local memory further comprises a user profile, wherein the controller updates the user profile with at least information regarding document requests.]

23. (Amended) An apparatus according to claim [23] 21, wherein the requested documents are downloaded into the local memory.

Please add new claim 42 as follows:

42. (New) An apparatus according to claim 18, wherein the local memory further comprises a user profile, wherein the controller updates the user profile with at least information regarding document requests.
